

Immediate help for Nortel, Norstar, BCM, Avaya & Toshiba Phone Systems!

Your phone system was ahead of its time when you purchased it, and has performed well enough that you might not have any compelling reason to upgrade. However, the manufacturer no longer makes or supports the phone system you purchased. That's why Copper State Communications is here to help. We offer telephone maintenance for these discontinued phone systems to help you get the most out of your telephone investment.

Maintenance

Copper State Maintenance is the ideal enhancement to the manufacturer's support and maintenance plan. We can help you find a maintenance plan that best fits your business needs.

Getting Started
