September 18, 2012

Copper State Communications, Inc.

Mr. Kerbaugh,

I want to convey my appreciation to you and your technicians. Your technicians completed work for our office on the weekend of Sept. 15, 2012. You all conducted yourselves with professionalism and unparalleled customer service. You completed a job for us in half of the time I thought it would take.

We look forward to working with you in the future.

Respectfully,

John Lockwood

IT Support Specialist
